

Seattle Children's Presents: A Virtual CME Event

Top 5 Reasons to (and Not to) Refer to Pediatric Orthopedics

Join us for a discussion and claim Category II CME credit

Tuesday, June 22, 2021

6:00 to 7:00 p.m.

WebEx Virtual CME Event

Presented by Seattle Children's Orthopedics & Sports Medicine

Todd Blumberg, MD

Tuesday, June 22, 2021
6:00 to 7:00 p.m.
Webex Virtual CME Event

RSVP by June 21

RSVP by email to:
Jen.mueller@seattlechildrens.org

Hosted by:
Jen Mueller

Learning Objectives

- Evaluate children and adolescents for common musculoskeletal conditions.
- Recognize common pediatric orthopedic conditions that can be appropriately managed by a PCP.
- Identify proper tests and imaging studies used to diagnose specific orthopedic conditions.
- Determine when a pediatric orthopedic referral is needed and what is an appropriate time frame for orthopedic evaluation.

*Questions can be asked during the live event via the 'chat' box
